

GSA Dealer Questionnaire

Date: _____ Customer Number: _____

Name: _____

Title: _____

Question 1:

Does your company accept VISA credit cards? YES _____ NO _____

Question 2:

Have you registered your Dun and Bradstreet number with CCR? YES _____ NO _____

(Contractors must provide their D&B number, available by calling 1-800-333-0505 or going to www.ccr2000.com It is provided and maintained free of charge and only takes a few minutes to obtain.)

What is your DUNS (Dun & Bradstreet) number? _____

Have you registered with CCR and received a Trading Partner Number (TPIN)?
YES _____ NO _____

Is your Trading Partner Number Current? YES _____ NO _____

(Your CCR Registration (Trading Partner Number) has to be renewed each year. There is no cost to do this.)

What is your CAGE Code? _____

To do business with the Department of Defense you will need a CAGE Code (Commercial and Government Entity Code). A CAGE Code is used to identify your location and by Federal Stock Class the type of products and services you offer the Government. In order to get a CAGE Code you will need to contact the Defense Logistics Agency in Battle Creek, MI at 616-961-4725.

Question 3:

Which VAN (Value Added Network) are you signed up with? _____

Contractors must register for Electronic Funds Transfer and may register through their Value Added Network (VAN) using an American National Standard Institute (ANSI) ASC X12 838 transaction set called a "Trading Partner." A transaction set is a standard format for moving electronic data. VAN's will be able to assist contractors with registration. A list of certified VAN's and software can be provided (we can fax to them) or contractors who wish to register without going through a VAN may do so via the Internet at http://147.160.129.110/faq/faq/ccr_handbook.html
